NOBODY IS JUST "Naturally"

SKINNY!

Give Me 15 Minutes A Day And I'll Give YOU A NEW BODY

WOULD you believe it? I was once a skinny 97-pound weakling. People used to laugh at my spindly build. I was ashamed to strip for sports or for a swim. Girls snickered at me behind my back. Folks said I was just "naturally-born skinny!"

Then I discovered my marvelous new muscle-building system—"Dynamic Tension." And it turned me into such a complete specimen of MANHOOD that today I hold the title, "THE WORLD'S MOST PERFECTLY DEVELOPED MAN."

ARE YOU
Skinny and run down?
Always tired?
Nervous?
Lacking in Confidence?
Constipated?
Suffering from bad breath?
Do you want to gain weight?
WHAT TO DO ABOUT IT is told in my FREE BOOK!

WHAT'S MY SECRET?

When you look in the mirror and see a healthy, husky, strapping fellow smiling back at you—then you'll be astonished at how fast "Dynamic Tension" GETS RESULTS! "Dynamic Tension" is the easy, NATURAL method that you can practice in the privacy of your own room—JUST 15 MINUTES EACH DAY—while your scrawny chest and shoulder muscles begin to swell! . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel full of zip, ambition, self-confidence, and new energy!

"Dynamic Tension" Builds You NATURALLY

Thousands of other fellows are becoming marvelous physical specimens—my way. I give you no gadgets or contraptions to fool with. You simply utilize the dormant muscle-power in your own body. In a very short time, you'll watch it grow and multiply into real, solid, rippling, LIVE MUSCLE.
